

DAHUT

His name is « **Dahut** » because all the classmates live in Savoie and this is a famous legendary character.

He wears a tee-shirt with « LCE » written on it. He is **funny and brave** like us. His legs are different. The right legs are short and the other ones are longer. Everyone is **different** !

He has a big nose which represents the world because we have **different origins** and we like **meeting new people, discovering new cultures, new countries and learning new languages.**

He lives in a wild area, he's **independent and courageous**. He is fast like some of us. He has three anthers which represent **serenity and calm** like the atmosphere in the classroom.

He always tries to **do his best, never gives up** nor loses his temper.
